501(c)3 Organization
www.wfhsband.com

Dear Business and Community Members,

The West Forsyth High School *"Pride of the West"* marching band will soon begin its fourth year and we are pleased to announce that student participation continues to grow. For the 2011 – 2012 school year we are anticipating approximately 160 students will be part of the marching and concert bands.

It's exciting to have a vibrant and growing band program, but as student participation increases, so does the need for additional resources. The band program is supported by the West Forsyth High School Band Boosters, which provides funding to cover many day-to-day expenses, such as sheet music, transportation and uniforms. As the band continues to grow there is a great need to provide more instruments. Our goal is to add ##### and a vibraphone to the band's assortment. The availability of instruments is critical, because without them the growth of the band program will be limited. As you know, a flourishing band program is an expensive endeavor and one that needs the support of the local community.

To help us meet the band's financial needs, we are asking local businesses and community members to become sponsors of the WFHS *"Pride of the West"* Marching Band. Your sponsorship will help us acquire the necessary instruments and pay for other essential program expenses. Please take a moment to review the attached sponsorship opportunities and consider becoming a member of our band family. Your sponsorship is tax deductible and all required documentation will be provided. West Forsyth Band Boosters is a 501(c)3 Organization.

The *"Pride of the West"* band is the largest organization at West Forsyth High School and also one of the most visible. The band performs at football games and at a variety of local, state, and regional venues. As a band sponsor, you'll be supporting a program that helps students develop their musical, academic, and leadership skills, and your business or organization will gain valuable exposure throughout the school year.

If you have questions about becoming a sponsor, please feel free to contact Gail Stevens at gmdstevens@gmail.com or 770-342-9496(m). We look forward to welcoming you as a sponsor!

Thank you for your support of The *"Pride of the West"*.
Gail Stevens
