

## WEST FORSYTH HIGH SCHOOL BANDS FUNDRAISER

*Band & Color Guard Families,*

*It is time to kickoff the West Forsyth High School Band and Color Guard fundraiser for 2008. This year we are selling Yankee Candles and cartons of delicious fruit. The fundraiser will begin on October 1<sup>st</sup> and 2<sup>nd</sup> (depending on when they have their band class) and will be due on Monday, October 13<sup>th</sup>.*

*This is a great way to raise money for the entire band program. We will receive a 40% profit from both companies on what we sell. This will help buy more instruments, equipment, music and much needed items for the band and color guard programs. There will be an 80/20 split between the band boosters and the band student's account (80% to the band boosters and 20% to student accounts). Your student will be able to use the money in his or her account to help offset expenses incurred in the band program. We can all benefit from this great fundraiser.*

*Please note in the fundraiser packet that there are separate order forms for the candles and fruit. The Yankee candle order form has three copies, so please make sure that all information goes through all copies. The fruit orders will be written on the bright orange colored order form inside of the flyer. If you have someone that would like to order from both, please make sure that the items are listed on the appropriate order form and not combined. They can write one check, made payable to WFBB, but please keep the orders on the correct form. This will help at the end of the sale to make sure we order the proper items.*

*The Yankee candle order forms have some scratch and sniff circles inside to let the customer know how good they will smell. Keep in mind these candles are very popular and near the back of the catalog are some great gift ideas for the holiday season. The fruit will be picked fresh from the grove and will be delivered at the same time as the candles. We anticipate delivery the second week of December. Please note on the fruit flyer the apples will be available in 10 pound bags and ½ bushels. I have marked them as such on all of the fliers.*

*Please make sure that all money is collected at the time of order and checks are made payable to WFBB (West Forsyth Band Boosters). I have included a money envelope in the packets and please make sure that all money due is inside this envelope when the orders are turned in. Please turn in all copies of the order forms when the sale is over. Mr. Matthews will have additional order forms in his office if you need them.
