May 1, 2009

Dear Business and Community Members,

The West Forsyth High School “*Pride of the West*” marching band will soon begin its third year and we are pleased to announce that student participation continues to grow. For the 2009 – 2010 school year we are anticipating approximately 120 students will be part of the band, an increase of 20% over last year.

It’s exciting to have a vibrant and growing band program, but as student participation increases, so does the need for additional resources. The band program is supported by the West Forsyth High School Band Boosters, which provides funding to cover many day-to-day expenses, such as sheet music, transportation, and uniforms. As the band continues to grow there is a great need to provide more instruments. Our goal is to add oboes, baritone saxophones, bassoons, and a marimba to the band’s assortment. The availability of instruments is critical, because without them the growth of the band program will be limited. As you know, a flourishing band program is an expensive endeavor and one that needs the support of the local community.

To help us meet the band’s financial needs, we are asking local businesses and community members to become sponsors of the WFHS “*Pride of the West*” Marching Band. Your sponsorship will help us acquire the necessary instruments and pay for other essential program expenses. Please take a moment to review the attached sponsorship opportunities and consider becoming a member of our band family. Your sponsorship is tax deductible and all required documentation will be provided.

The “*Pride of the West*” band is the largest organization at West Forsyth High School and also one of the most visible. The band performs at football games and at a variety of local, state, and regional venues. As a band sponsor, you’ll be supporting a program that helps students develop their musical, academic, and leadership skills, and your business or organization will gain valuable exposure throughout the school year.

If you have questions about becoming a sponsor, please feel free to contact John Butler at 770-238-6678 or butler-wfbb@bellsouth.net.

We look forward to welcoming you as a sponsor!
