We are selling all baked goods for .50. Any questions, contact Elisa Fey or Karen Hight.

Fundraising - Yankee Candle / Fruit – Packets will be together. There will be a money envelope in the packet. Checks are to be payable to WFHSBB. Oct 1 & 2 they will distribute packets to the students. Oct 2 for color guard. Money is due back October 13th. That will give the students a week and a half for sales. The profit split between the student and band still has not been determined.

Pep Band Friday night – All students invited but if they are not riding the bus they must have permission forms signed.

Super Saturday Rehearsal – This Saturday sign time is at 8:30. Must prepay for lunch or bring your own.

Director's Minute- Keith's has a large band picture that he would like to have framed. If you know of anyone who does framing, contact Keith. Things are going well with the band. They still have some drill to learn. Students are excited about the Exhibition. First contest is Sat, Oct 4th at South Gwinnett. There are 10 bands in our class. Band class placement in the contests are based on number of kids in the band and are not classified the same class as the football. We are in AA for this contest.

Mike Peach has been doing our announcements for half-time and has volunteered to do the announcements for the Forsyth County Exhibition. Thanks Mike!
