Dear Prospective Sponsor:

On Friday March 27, 2009 at 7:00 p.m., the West Forsyth Band Boosters are sponsoring "TRICK-HOOPZ AND ALLEY-OOPS" by the famous Harlem Wizards in the West Forsyth High School gym. This will be a night of great family entertainment and the event is open to the entire community.

The Harlem Wizards are a professional basketball team that has toured and entertained the world. They will be facing the ever-enthusiastic Forsyth Phantoms, a team of 25 faculty and staff from local schools. The Harlem Wizards feature six players with illustrious college and professional basketball backgrounds and skills that feature both hoop trickery and hard-court theatrics. The game mixes competitive fast-paced action with the Wizard's unique brand of comedy and shtick.

All proceeds from the Harlem Wizards event will be used to purchase instruments for the West Forsyth High School Band. With the band program in only in its second year, and also because of the increased student participation expected next year, the purchase of additional instruments is an urgent priority. Your sponsorship of this major event will represent a meaningful contribution toward support of the growing band program at West Forsyth.

Important goals of the band program at West Forsyth High School Band are to allow students to grow musically, develop social and leadership skills and enhance their ability to succeed in other areas of study. In addition, by participating in the band program West Forsyth students enrich the community musically by performing at football games, exhibitions, competitions, and other local events. Generous support from businesses and individuals for the Harlem Wizards event will enable more students to participate in the band program and benefit the community at large.

Please consider sponsoring this event. Sponsorship levels range from \$100 to \$1,000 and every sponsor will be recognized during the game. (See page attached for details of benefits offered at each level.)
