

SCRIP PROGRAM FOR West Forsyth Band Boosters!

By now you are settled in the routines of the school season. Please consider the fact that you have the power to help West Forsyth Band Boosters reach the goals and visions for the children of West Forsyth “Pride of the West” Bands with our scrip program.

This unique and very easy program utilizes money that you spend on everyday purchases. By buying the things you need and want with gift cards you purchase from the boosters, you have the opportunity to raise money for your child’s marching band, concert band and color guard accounts. Money in these accounts may go toward registration fees, concert attire, district fees and any other expenses that may come up throughout the year. **75% of the profit of your sales will go to your child’s account. 25% will go to the band boosters to cover shipping costs.**

The process is simple. Think about where you will shop this week—how much will you spend on groceries, gas, clothing, household items, gifts, etc. Then look at the list of retailers available through our scrip program to find the stores where you would normally shop. Order gift cards for the purchases you plan to make anyway, and then use the gift cards to purchase your merchandise.

Because we order the gift cards through UnitedScrip, we get a percentage of the sales as profit for our organization. It is a great way to contribute to your children’s band accounts and the boosters without spending extra money on things that you do not necessarily want or need.

HOW??? Look over the Retailers List and see how you can plan your spending and contribute to your child’s band account. Drop your order in the black box by Monday and your gift cards will be ready for pick-up on Thursday evenings between 6:45 and 7:00 in the band room. Please include either cash or check made payable to WFBB with the order form found on the website under the “SCRIP” tab. Please write “SCRIP” on the envelope.
